

Keep the Fun Going!

1. Hang the “We’ve Been Boo-ed!” sign on your front door or window.
2. Within two days, print two copies of this page and put together two treat bags for friends or neighbors.
3. After dark, secretly deliver the bags. Knock or ring the doorbell, then hide and let them discover their surprise!

Parent Tip: Let the adults know ahead of time so they’re comfortable allowing their children to answer the door.
