Our Turkey Needs a Disguise!

A Thanksgiving Family Project

Dear Families,

Thanksgiving is coming, and our turkey needs your help hiding in plain sight! Your family's mission is to turn the attached turkey into something else.

Let your child choose the disguise. Will your turkey become an animal, a favorite food, a superhero, or something completely unexpected?

Use supplies you already have at home - crayons, paper, fabric scraps, yarn, or other craft materials. There's no need to buy anything special! You may decorate directly on the page or cut out the turkey to create the disguise.

Please let your child lead the designing and decorating, with grown-up help as needed. Complete the sentence beneath the turkey and practice sharing what makes the disguise work.

Please return your turkey by: _____

We can't wait to see everyone's creative ideas!

Thank you for helping with this family project!
